

MAKE A DIFFERENCE MONTH PROJECT INFORMATION

Make a Difference Month is about helping others through a celebration of service in our communities. This weekend was created by USA WEEKEND Magazine and everyone can participate. Make a Difference Day is an annual event that takes place in October, however the California Masonic Family will participate by choosing events throughout the month of October 2015. This project has the support of the Grand Master and Worthy Grand Matron. All Masonic Orders are joining forces to help in this effort. (Please contact your Area Adult for a list of your local Lodges and Chapters).

This can be a day where all the Masonic Orders in your area can join together to help the community. At the same time, our Masonic ties would become stronger as we are able to share this wonderful day together. For more information, please visit <http://www.usaweekend.com/diffday/index.html>

NOTE: Each Masonic group involved with Make a Difference Month should return a form. The number of participants and hours are per individual organization. If available please include photos or any other news features about your activity.

Masonic Order _____ # _____ Activity Date _____
(Lodge, Chapter, Assembly, Bethel)

Number of Youth and Adults Who Participated _____ Number of Youth and Adult Volunteer Hours _____
Total Participants _____ **Total Hours** _____

Activity: _____
